383 Kenneth Hahn Hall of Administration

Interim Director of Public Works

At its meeting held December 14, 2004, the Board took the following action:

80

The following item was called up for consideration:

Interim Director of Public Works' recommendation to consider the Negative Declaration previously adopted by the Board on November 4, 1993, for the Los Angeles County Source Reduction and Recycling Element and Household Hazardous Waste Element, and find on the basis of the whole record before the Board that there is no substantial evidence that adoption of the proposed ordinance will have a significant effect on the environment; and that adoption of the proposed ordinance is de minimus in its effect on fish and wildlife resources; also approve introduction of ordinance to facilitate the recycling and reuse of construction and demolition debris in the unincorporated areas of the County; and authorize the Interim Director to complete and file a Certificate of Fee Exemption.

On motion of Supervisor Knabe, seconded by Supervisor Antonovich, unanimously carried, the Board approved the Interim Director of Public Works' attached recommendations.
